

# Ex Olaf Ski Challenge

19-26 February 2022

# Current COVID-19 Restrictions:

- Entrance into Germany requires all over 12s to be fully vaccinated and to have received the last vaccination dose at least 14 days before the date of travel.
- They must be in possession of proof of vaccination or recovery from COVID-19.
- As the UK is considered a high-risk area there is also a mandatory digital entry registration as well as a test certificate (antigen test: taken max. 48 hours, PCR test: taken max. 72 hours before entry)
- You will need to take a PCR test on return to the UK and they must be booked before we depart for the trip. Proof of booking will be required to be shown before we are allowed to leave the UK.

HANDOUTS ARE ATTACHED TO THIS EMAIL

# Medical

- All Cadets are covered by the School Trips Insurance.
- All Instructors hold a current First Aid Qualification.
- A full risk assessment is in place for all activities the Cadets will take part in.
- A full MOD Medical Plan has been submitted and approved
- A Global Health Insurance Card (GHIC) is required and to be carried with Cadets at all times. If you still have a in date EHIC then that is still valid in EU countries.
- Your passport must have a minimum of 6 months from the date of the trip left before expiry.

So far we have managed not to spend any funds out of the budget, but I need to bring the following to your attention.

- Flight deposits are £50 per person and are due to be paid on 05 January 2022. Once this is paid this will become non-refundable.
- COVID-19 restrictions may result in another lockdown.
- MOD may stop all cadet overseas activities - to take the trip privately may increase the fee by around £250
