**1. General**

PGSCCF will attend the Remembrance parade at Winchcombe on Sunday 11 Nov 18. The parade is organized and arranged by the Winchcombe branch of the Royal British Legion. The participants will **assemble at 0930 at Winchcombe youth Centre on Gretton Road**. The location is opposite the fire station. Please do not block the fire station forecourt.

**2. Dress for Officers**

Dress for Officers on parade is RAF no1 Dress, FAD or Army No2 Dress. Medals and gloves should be worn. Swords will not be carried. If the formal modes of dress listed above are not available to CFAV's, combat dress with full size medals should be worn. Spectators and family members are invited to wear uniform if they are eligible to do so.

**3. Dress for Cadets**

Cadets will wear MTP PCS. They should bring their smock (combat Jacket). Cadets will not be permitted to parade if they do not bring the correct clothing to protect themselves from the weather on the day. Cadets should consider the need for warm layers when preparing their uniform on the day.

**4. Poppies**

Poppies may be worn by cadets. It is customary for Officers not to wear poppies whilst on remembrance parades.

**5. Saluting**

When attending Remembrance Parades as with all other similar parades, officers in uniform wearing head dress either on parade or as spectators are reminded that they should salute on the first note of the Last Post and return on the last note and remain at attention throughout the 2 Minutes Silence and during the Reveille.

Other Ranks and all those in civilian attire are not to salute but are to come to attention on the first note of the Last Post and remain at attention throughout the 2 Minutes Silence until the last note of the Reveille. Those in civilian attire wearing civilian head dress are to remove the head dress during the Last Post but replace it for the 2 Minutes Silence and the Reveille.

It is customary for veterans wearing military style head dress such as berets to conform to the uniformed policy according to their rank.
